WORKPLAN

Strengthening Capacity in Policy Formulation and Management of Ethnic Minority Development in Viet Nam

VIE/96/010

DEVELOPMENT OBJECTIVE

To eliminate poverty in ethnic minority areas through developing capacity of ethnic minority people to more fully participate in the national life, especially in the economic and social spheres.

Objectives

ENHANCED DEVELOPMENT MANAGEMENT CAPACITY

To strengthen the capacity of CEMMA and concerned staff at all levels of the administration including the village level in the formulation, implementation, monitoring and evaluation of government policies and programmes for ethnic minority people.

IMPROVED SERVICE DELIVERY AT THE LOCAL LEVEL

Improved ethnic minority service delivery and human resource development through new approaches into the four pilot intervention areas.

STRENGTHENED TEACHER TRAINING FOR ETHNIC MINORITY AREAS

To improve the effectiveness of the provincial Teacher Training Colleges in the pre-service and in-service preparation and support of teachers assigned to ethnic minority areas.
