Programme Philosophy

The Ford Foundation is a resource for innovative people and institutions world-wide. Our goals are to strengthen democratic values, reduce poverty and injustice, promote international co-operation, and advance human achievement.

History of Operations in Viet Nam

For a number of years the Ford Foundation carried out grant making in Viet Nam from its offices in Bangkok. It was granted a licence to establish a representative office in Viet Nam on October 8, 1996. Two years later the Foundation's offices in Bangkok were closed and all Foundation programming in both Viet Nam and Thailand is now conducted from the Hanoi Office.

Programme Description

The Ford Foundation is a grant making organisation. Its work in Viet Nam focuses on six fields: international cooperation; upland natural resource management; social sciences & humanities; arts & culture; sexuality & reproductive health; and education. The Foundation makes grants to appropriate Vietnamese and non-Vietnamese agencies and institutions working for the benefit of Viet
